

5 Steps to Divine Healing

Are there 'steps to divine healing?' Why could Jesus heal everyone in some places (Matthew 4:24, 8:16, 12:15, 15:30), but He could only heal a few people in other places? (Mark 6:5) The answer is their 'unbelief' prevented sick people from receiving the healing God wanted to bless them with. How can you overcome unbelief and receive the healing God wants to give you?

After years of study and practical experience, here are my **5 steps to receive bodily healing from God:**

1. **Teach and Correct**
2. **Remove Barriers**
3. **Replace Fear With Hope**
4. **Actively Receive Your Healing**
5. **Wait In Faith**

This is not a magic formula. Rather, it assumes God loves us and want to heal us, but there are things in our mind (ignorance, unbelief, shame, etc.) that prevent us from receiving God's healing power. These 5 steps to divine healing will help you identify and remove those hindrances so that you can receive the Living God's power to heal your physical body.

Step 1: Teach and Correct

Teach the sick person [kingdom](#) truths **and correct** false beliefs. There is a lot of ignorance and wrong teaching about God's ability and willingness to heal people today. Ask them:

- Do you want to be healed? (John 5:6, Mark 10:51) Surprisingly, some people don't really want to be healed. Two reasons I've observed:
 - Getting healed would stop them from getting sympathy.
 - Getting healed would stop them from receiving disability money.
- Do you believe God CAN heal you? (Matthew 9:28)
 - On the cross Jesus said, "It is finished". At that moment, all your sins were forgiven.
 - Jesus is resurrected and alive now, with ALL authority in heaven and earth (Matthew 10:8, 28:18). He now has authority over every sickness, disease, and death itself. (Revelation 1:18) So, He CAN heal you!
- Do you know healing has already been provided in our salvation?
 - "By His wounds we were healed." (1 Peter 2:24, Isaiah 53:5)
 - "He bore our sicknesses." (Isaiah 53:4)
- Do you believe GOD WANTS TO heal you?
 - Jesus healed all who asked Him (Luke 4:40, 6:19)

- It's God's will for you to prosper and be in health (3 John 1:2)
- If you still have any doubts, absorb Andrew Wommack's detailed teaching "[God Wants You Well](#)" and you'll be convinced it's God's will to heal you.
- Do you believe your healing is dependent on your goodness, or is it by God's grace?
 - If you trust in your goodness you cannot receive anything by faith. In your heart you know you've sinned sometime in your life, and your guilty conscience prevents you from standing in God's holy presence.
 - But God's grace is His free gift to us sinners, regardless of our past sins (Romans 5:15-18, 8:11)
 - Have you accepted God's forgiveness of your sins?
 - Many Christians will say yes, but they haven't applied the blood of Jesus to their conscience. They still carry guilt and shame for their past sins.
 - Ever since Adam and Eve hid from God in the Garden of Eden (Genesis 3:10), our guilt and shame separates us from our loving heavenly Father.
 - Until your conscience is purged of this shame, enabling you to confidently stand in God's holy presence, you cannot receive anything from God. The key to receiving a clean conscience is in Hebrews chapter 10.
 - Only by faith in God's forgiveness, because the Savior's sacrifice for you, can you cleanse your conscience of guilt and shame.

Step 1 is critical to receiving your divine healing. Until you've completely satisfied step 1, there's no use proceeding to step 2. No Shortcuts if you want to be successful.

Step 2: Remove Barriers

Remove Barriers to Healing. Ask:

- Are you holding anger or [unforgiveness](#) against anyone? (Matthew 18:35, 1 John 4:20)
- Be honest and search within your heart. Is your conscience convicting you of any sin? (John 5:14) If yes, return to Step 1 above until your conscience is 100% cleansed by faith in God's forgiveness.

Step 3: Replace Fear With Hope

- **Imagine** and 'see' yourself feeling great and 100% healed, without your malady. (Mark 5:28, Matthew 9:21).
- Describe the positive image of your healing; what you see, taste, hear, smell, and feel
- Replace fear with **hope**. Get excited about feeling great, 100% healed.

Step 4: Actively Receive Your Divine Healing

- Since God can heal you, wants to heal you, and has already provided healing by His grace—independent of your goodness— **receive** and **grab hold of** your divine healing by faith.
- Ask a Christian elder to **anoint** you with oil (James 5:14).
- **Pray**, asking the Holy Spirit to give you a supernatural word (rhema) from God’s Spirit as an anchor of faith to receive the healing.
 - Hebrews 11:1 says faith shows us the reality of what we hope for, and it’s the evidence of what we cannot see with our natural eyes.
 - "Faith comes by hearing, and hearing by the word (rhema) of God." (Romans 10:17).
 - Our God is alive and speaks to us by His Spirit. When He speaks to you, His message is the living, spoken word of God in your spirit. Once you’ve received God’s rhema, you can hold onto this revelation as an anchor, by faith, even though the outer, material world hasn’t changed yet. It will.
- **Speak** to the mountain. Command it to be cast into the sea. (Mark 11:23, Matthew 21:21)
- Have the person declare out loud, “Father, I receive my healing by your power, in Jesus’ name. Thank you.”
- **Test** for the manifestation of healing. (Mark 8:24)

Step 5: Wait In Faith

art by gagdad.com

- If your healing is not instantly manifested, continue to see yourself healed. Ask for and trust in God’s rhema.

- Believe and hold tightly to God's rhema in faith, with thanksgiving and patience, until your body manifests your healing.
